

**Nebraska Cattlemen Disaster Relief Fund
Application for Aid – Flood and Winter Storm *Ulmer/Bomb Cyclone* Event (March 2019)**

The Nebraska Cattlemen Disaster Relief Fund is providing financial assistance on a statewide basis to needy or distressed cattle producers in Nebraska impacted by Winter Storm *Ulmer/Bomb Cyclone*.

Eligible applicants under the Fund include any cattle producer with an operation located in a county or tribal area falling under an emergency or disaster declaration made by the Nebraska Governor or Nebraska Emergency Management Agency (NEMA). Moreover, applicants must demonstrate genuine need or distress as a result of the disaster by providing relevant asset information and certifying their assets are not sufficient or adequate to rebuild from the damage suffered.

Membership in Nebraska Cattlemen is NOT required for an applicant to receive relief.

Submitted applications must be fully completed and have all required eligible expense documentation attached or enclosed to be considered. Applicants may submit documentation and requests for reimbursement for cattle production expenses not paid for by insurance or other governmental sources, including but not limited to costs for rebuilding and recovery for lost fencing and pens, feed, livestock/carcass removal or other necessary cattle production costs directly related to rebuilding from the winter storm. ***Documentation can include copies of receipts for purchases of supplies, invoices for repairs, photos of damage, etc.***

Applicant must demonstrate that expenses/losses incurred were related to cattle production and directly caused by recent storms and flooding as the result of Winter Storm *Ulmer/Bomb Cyclone* in the State of Nebraska.

Submitted applications will be reviewed individually by a committee selected by the Nebraska Cattlemen Disaster Relief Fund Board of Directors. Eligibility for financial assistance will be determined on a case-by-case basis with the goal of distributing relief so as to maximize the Fund's charitable impact to support cattle producers in Nebraska. The total amount that each applicant will be eligible to receive will be determined after the application period ends in accordance with the above stated impact goal. The review committee has the right to reject any and all applications for any reason.

Applications must be completed and have all required documentation to be considered.

Applications for relief must be postmarked by May 31, 2019. No application will be considered if postmarked after that date.

Completed applications must be mailed to 4611 Cattle Drive, Lincoln, NE 68521 or scanned and e-mailed to disasterrelief@necattlemen.org.
