

As Americans, we are blessed to have the constitutional right to make our voices heard at the ballot box. Whether it's a local, state, or federal race, it's important for beef cattle producers to be civically engaged as we want to support candidates who understand the issues facing the beef cattle industry in Nebraska.

If you want to support candidates who support beef cattle producers, check out the Nebraska Cattlemen Political Action Committee voter guide!

November 8, 2022
